

# Parent Workshop

## Behavioral Management Series:

### All About Attention - What, When & How

---

#### Introduction:

Do you know your child's behaviors can significantly increase or decrease if you can identify what aspect of the behaviors to attend to, when to best give your child attention and how to deliver your message?

#### Objectives:

- The parents will enhance their awareness of spotting out positive behaviors
- The parents will learn the variation of quality attention - it's more than just a praise!
- The parents will learn to modulate their attention giving behaviors

#### Format of the Workshop - Interactive & Practical:
