

Parent Workshop

Behavioral Management Series: Escape Behaviors - What, Why & How

Introduction:

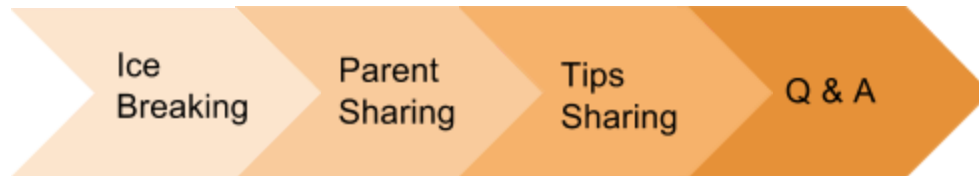

"I don't want to go to bed!", "Nooooooooooooo!!", screaming, crying, flopping, running away from you, or simply ignoring you. As parents, we all have experienced some forms of escape maintained behavior. What can we do to reduce these challenging times? Let's talk about behavioral prevention and management!

Objectives:

- The parents will learn to spot out escape behaviors - it's more than just crying and screaming!
- The parents will learn some behavioral strategies to prevent these escape behaviors
- The parents will learn some tips to manage escape behaviors if they happen

Format of the Workshop - Interactive & Practical:
